

GOVERNOR GLENN GRANTS RESPITE

Col. John Nichols Enters the Race for the Postmastership at Raleigh.

ADDRESS AT SUMMER SCHOOL

Governor Glenn Appoints New Director of the North Carolina Railroad.

(Special to The Times-Dispatch.)
RALEIGH, N. C., June 20.—Governor Glenn today issued a commission to L. G. Daniels, of New Bern, as a member of the Board of Directors of the North Carolina Railroad to succeed C. T. Watson, who died at New Bern Sunday.

A respite was allowed today by Governor Glenn until August 1st, in the case of T. B. Ferrington, of Guilford county, under sentence of twelve months in jail for retaining liquor without license. This is done to provide time for the Governor to investigate reasons for a pardon being urged by Colonel Wescott Robertson.

The latest turn in the postoffice situation here is well founded. Report that Colonel John Nichols has entered the race for the appointment now that Postmaster C. T. Bailey retires from the contest for re-appointment. Colonel Nichols will make a strong candidate, having a long and active Republican record. He served several terms in Congress as a member of the House of Representatives from this district and served a term as postmaster, acceptably a number of years ago. The contest will, it is expected, really be between Lester Butler, brother of ex-Senator Butler, and editor of the Caucasian; W. G. Briggs, a well-known newspaper man here; J. H. Hardin, a prominent banker, and Colonel Nichols. It is not expected that the appointment will be made by the President until after the State Republican Convention at Greensboro, July 10th.

Among the most notable features of the Summer School today were two addresses by Professor T. Gilbert Pearson, president of the North Carolina Audubon Society, the one at noon being on bird life generally, and the second one tonight, on North Carolina birds. Both these addresses have been delivered in many parts of the country and are exceptionally able and comprehensive. All departments of the Summer School are now well organized and doing highly satisfactory work. The enrollment is more than six hundred.

Clement Rowland, a fifteen-year-old negro boy, has been committed to Wake jail on the charge of attempted criminal assault on the eight-year-old daughter of Mr. and Mrs. Britt, in Panther Branch township. The boy was frightened away before he had more than seized hold of the child.

The Leaksville-Spray Insurance and Realty Company, with \$10,000 capital, authorized, and \$5,000 subscribed, was chartered today by E. P. Whorton, Greensboro; C. N. Deshaize and others being the incorporators.

Another charter is to the Lexington Excelsior Company, \$25,000 capital, authorized, and \$15,000 subscribed, by W. G. Finch, J. W. Crowell and others.

The Asheville Planning Mill Company changes its name to the Williams-Brown Planning Mill Company, and is authorized to increase the capital from \$20,000 to \$25,000.

The contract has been awarded and work begun on the placing of a handsome iron fence around the grounds of the State School for the Blind. The work will cost more than \$400. Cooper Bros. Marble Works has the contract.

A called meeting of the Board of Aldermen last evening concurred in the Council's appropriation ordinance for all city expenses for the fiscal year beginning July 1st, after making amendments to provide for a rubble-stone pavement of the Old Street road-bed, at a cost of about \$11,000, about twice the amount provided by the Council's ordinance, which provided for cobble-stones.

After considerable debate, the amendment was adopted by seven votes to three.

Another amendment was passed reducing the \$20,000 appropriation for sidewalk improvement to \$15,000, in order to balance the \$5,000 increase for Old Street.

The appropriations for the coming year aggregate about \$275,000, not including a \$75,000 bond issue, to be made for improving street roadways.

The Council's tax ordinance, fixing the rate at \$1.45 per \$100 of values, was concurred in by the Aldermen.

THE AUDIT COMPANY OF NEW YORK.

To the President and Board of Directors, The First National Bank of Richmond, Virginia:

Dear Sirs,—Agreeably to your request, we have made an examination of the condition of THE FIRST NATIONAL BANK OF RICHMOND, VIRGINIA, as of the close of business, May 31, 1906.

We hereby certify that the accompanying statement is a true and correct exhibit of the condition of the Bank as of the date named.

Our examination in detail was as follows:

ASSETS.

LOANS AND DISCOUNTS:

The gross amount was proven after inspection in each case of the evidence of indebtedness. All collaterals were verified and found to be as called for by the notes.

INVESTMENTS.

Were examined and verified as to both holdings and values.

BANKING HOUSE AND LOT.

Were found to be carried on your books at a value considerably below the assessment for taxation purposes.

DUE FROM BANKS.

Accounts current were either rendered to, or received from, correspondent banks, and all exceptions reported were traced to a correct settlement. This comment applies also to banks having credit balances.

CASH AND RESERVE.

Cash on hand was proven by actual count. Certificates as received from reserve agents were verified with the balances claimed.

ALL OTHER ASSETS.

All items not especially mentioned in the foregoing were proven after thorough investigation.

LIABILITIES.

DEPOSITS:

The system of changing the clerks in charge of the depositors' accounts was considered to make it unnecessary to call for the pass-books. Those presented at the bank during the stay of our examiner were compared and found to be correct.

EARNINGS.

The credits and debits entering into this account since January 1, 1906, were audited and found to be correctly shown on the ledger.

It is a pleasure to report that we found the work of the bank well systematized, carefully guarded, and the books kept in a clear and intelligent manner. Our examination was comprehensive, and its results should be gratifying to the shareholders. For the assistance rendered us by your officers we wish to present our thanks.

Yours very truly,

THE AUDIT COMPANY OF NEW YORK,

E. T. PERINE, General Manager.

TWO-CENT MILEAGE LAW IN COURT

(Continued from First Page.)

OPERATED BY STEAM.

on the 14th day of June, in the year 1906, in the said city of Staunton, in the State of Virginia, fall to keep on sale at its station in the said city of Staunton, mileage books of 500 miles, as it is required to do by an act of the General Assembly of the State of Virginia, approved on the 18th day of March, in the year 1900, and by such failure the said Baltimore and Ohio Railroad Company did, as aforesaid, violate the provisions of the said act of Assembly against the peace and dignity of the Commonwealth of Virginia. This information is filed upon the complaint, in writing, of John W. Churchman, a competent witness, which said complaint in writing is verified by the oath of said John W. Churchman, and verified as aforesaid, is hereto attached.

"JOHN W. CHURCHMAN."

The foregoing complaint was also filed against the Chesapeake and Ohio railroad.

RAILROADS FIGHT TWO CENT RATE LAW

Will Carry the Churchman Suit to the Court of Last Resort.

At the Chesapeake and Ohio offices the officials did not care to discuss the suit instituted by Hon. J. W. Churchman against the Chesapeake and Ohio for refusing to sell him a 500 mileage book at the two cents rate.

It was stated by an official that the suit was not unexpected, for the various railroads of the State had determined to resist as far as possible the recent act, which cut out that they should sell 500-mile books at the rate of two cents per mile. With this idea in view, no such mileage books were furnished to the ticket agents, and no provision was made for complying with the terms of the act.

The case will be fought through the various courts, and the railroad will not comply with the law until the court of last resort has passed upon the legal question involved.

The attorneys of the various roads of the State have for some time been engaged in preparing a defense for the suit which Mr. Churchman has instituted. Hon. H. T. Wickham, general counsel for the Chesapeake and Ohio, was in Washington on yesterday, and it was impossible to communicate with him regarding the matter.
